Continuity of Learning and COVID-19 Response Plan (“Plan”)
Application Template

Great Start Readiness Program (GSRP) and
Early Childhood (EC) Addendum

Note: The term “district” also applies to public school academies and community-based organizations for the GSRP EC Addendum.

As a result of COVID-19 and the closing of school buildings for the 2019-2020 School Year, school districts must submit a Continuity of Learning and COVID-19 Response Plan (“Plan”) in order to continue to receive state aid for operations. Although schools are closed and not providing in-person instruction, teaching and learning must continue. Michigan educators have been called to provide our students with continued learning.

There are varied states of readiness to provide continuity in learning among districts. Even within districts of multiple school sites, there are varied states of readiness. It is expected that schools will provide instruction at a distance using a variety of methods that meet local needs, including printed materials, phone contact, email, virtual learning, or a combination to meet student needs. We should avoid assuming that continuity in learning can only occur through online means.

While many educators have been providing distance learning opportunities, the Governor’s Executive Order (EO 2020-35) requires all schools to begin providing learning opportunities for all students no later than April 28, 2020. Districts who are able to begin their plans earlier are encouraged to do so.

Each District shall submit a single completed Assurance Document, Budget Outline, and Continuity of Learning Plan to its Intermediate School District. Each Public School Academy shall submit a completed Assurance Document, Budget Outline, and Continuity of Learning Plan to its Authorizer. A single Application should be filed for the district rather than multiple applications for individual schools within a district. The following items are required for the application which may be submitted beginning April 8, 2020:

1. Assurances Document
2. Continuity of Learning Plan
3. Budget Outline
Continuity of Learning and COVID-19 Response Plan (“Plan”)
Guiding Principles

As Districts and Public School Academies complete the Assurances and Continuity of Learning Plans, they should consider utilizing the following principles to guide their work:

Keep Students at the Center
Intentional outreach to continue building relationships and maintain connections. Help students feel safe and valued. At minimum, plan to do the following:

- Plan for Student Learning: Build on each student’s strengths, interests, and needs and use this knowledge to positively affect learning.
- Develop a Weekly Plan and Schedule: Offer routines and structures for consistency and for the balancing of think time, work time, and play time for health and well-being.
- Contact Families: Partner to support student learning through ongoing communication and collaboration. This will not look the same for every student and family—safety remains the priority. Provide translations as necessary.

Design Learning for Equity and Access
Plan and deliver content in multiple ways so all students can access learning.

- Teach Content: Set goals using knowledge of each student, content area standards, and of Michigan Merit Curriculum.
- Deliver Flexible Instruction: Consider how to deliver content depending on tools and resources accessible to each student. Alternative modes of instruction may include use of online learning, telephone communications, email, virtual instruction, videos, slideshows, project-based learning, use of instructional packets, or a combination to meet diverse student needs.
- Engage Families: Communicate with families about engagement strategies to support students as they access the learning. Families are critical partners. Provide translations as necessary.

Assess Student Learning
Manage and monitor student learning and plan what’s next for learning including the potential need for summer and supplemental learning.

- Check Student Learning: Use a variety of strategies to monitor, assess, and provide feedback to students about their learning.
- Make Instructional Adjustments: Use formative assessment results to guide educators’ reflection on effectiveness of instruction and to determine next steps for student learning.
- Engage Families: Communicate with families about assessment results in order to inform next steps and the potential for supplemental summer learning. Provide translations as necessary.

Great Start Readiness Program (GSRP) and Early Childhood (EC) Addendum

Note: The term “district” also applies to public school academies and community-based organizations for the GSRP EC Addendum.

Date Submitted: May 8, 2020

Name of District: Oxford Community Schools

Address of District: 10 N. Washington St. Oxford, Michigan 48371

District Code Number: 63110

Email Address of the District: tim.throne@oxfordschools.org

Name of Intermediate School District: Oakland Schools

Name of Authorizing Body (if applicable):

This Assurance document needs to be returned to your Intermediate School District or, for Public School Academies, your Authorizing Body with your Continuity of Learning Plan and Budget Outline beginning April 8, 2020 to indicate that the District will adopt a plan to ensure continuous learning for all students through the remainder of the 2019-2020 school year.

Districts should submit a single district plan that relates to all of their schools.

The applicant hereby provides assurance it will follow the requirements for a Plan for the remainder of the 2019-2020 school year:
1. Applicant assures that all student learning will take place under the direction of a teacher of record for each student enrolled in the district.
2. Applicant assures that it will continue to pay school employees during the balance of the 2019-2020 school year under the same terms and conditions established prior to the school closure order period.
3. Applicant assures that the Plan was developed in collaboration with district administrators, school board members, teachers, and local bargaining units.
4. Applicant assures that food distribution has been arranged for or provided for eligible students.
5. Applicant assures coordination between applicant and Intermediate School District in which the District/PSA is located to mobilize disaster relief child care centers.
6. Applicant assures that to the extent practicable the District/PSA will in good faith provide students with IEPs/Section 504 Plans the opportunity to participate in learning consistent with existing plans.
7. Applicant assures that Continuity of Learning and COVID-19 Response Plan, Assurance
Document, and Budget Outline will be posted immediately following approval to the District’s/PSA’s website.
Continuity of Learning and COVID-19 Response Plan (“Plan”)  

Great Start Readiness Program (GSRP) and Early Childhood (EC) Addendum

Note: The term “district” also applies to public school academies and community-based organizations for the GSRP EC Addendum.

The goal of a Continuity of Learning Plan and COVID-19 Response Plan is to ensure that each District or Public School Academy is providing, to the best of its ability, each student with alternative modes of instruction to help them stay on pace in their learning. This application recognizes that there is no “one-size-fits-all” solution; multiple means of engaging students and supporting families may be necessary that may vary by grade level, school building, or student population served.

For the purposes of the Plan, “district” refers to school districts and public school academies.

**Name of District:** Oxford Community Schools

**Address of District:** 10 N. Washington St. Oxford, Michigan 48371

**District Code Number:** 63110

Email Address of the District Superintendent: tim.throne@oxfordschools.org

Name of Intermediate School District: Oakland Schools

Name of Authorizing Body (if applicable):

In accordance with Executive Order 2020-35 a Plan must include all of the following parts:
1. Please describe the methods the district will use to provide alternative modes of instruction other than in-person instruction and a summary of materials each pupil and the pupil’s parents or guardians will need to access meaningfully the alternative modes of instruction included in the Plan. If the Plan relies on electronic instruction, the Plan must ensure to the extent feasible that pupils have access to a connected device capable of accessing the electronic instruction and must not penalize a pupil for the pupil’s inability to fully participate.

“Alternative modes of instruction” means modes of pupil instruction, other than in-person instruction, that may include, without limitation, partnerships with other districts or intermediate districts or community colleges or institutions of higher education, use of vendors, use of online learning, telephone communications, email, virtual instruction, videos, slideshows, project-based learning, use of instructional packets, or a hybrid of multiple modes of learning that still promote recommended practices for social distancing to mitigate the spread of COVID-CD.

District/ PSA Response:

Oxford Schools’ GSRP classrooms will continue to provide instruction using a variety of different modes. The basis of which is driven by relationships and making sure opportunities are equitable as outlined in Oakland Schools GSRP Guidance for Continuity of Child Development and Learning Plans. Teachers will use many different modes of instruction, such as online instruction, hands-on activities or projects, video conferencing, and video instruction. Teachers will be given parameters to guide instructional decisions and to minimize confusion and complexity for parents, but in the end, teachers are to explore and utilize methods best used to deliver instruction for their group of preschool aged students.

Teachers will survey families informally as to their preferred method of communication making sure the children will have access to materials and/or devices that would be needed. Learning packets, along with supplies necessary to participate in activities; will be delivered or mailed to the homes and arrangements will be made for families who are in need of technology. Teachers will plan a variety of lessons using video-conferencing and recordings that will keep students engaged in active learning utilizing the provided materials or common materials that are accessible in the home.
2. Please describe the methods the district will use to keep pupils at the center of educational activities, including outreach to continue building relationships and maintain connections, and to help pupils feel safe and valued.

**District/ PSA Response:**

A student-first approach takes more than words; it takes action. Our GSRP teachers, are dedicated to continuing the strong relationships they have already established with their students and families. They will work to strengthen these connections by carefully listening to each of their family’s current experiences; striving to understand and provide guidance to their strengths, challenges and priorities.

All students need to feel safe, valued, and respected. Our staff is highly trained and skilled in cultivating relationships with our kids. We will utilize these talents to understand the unique needs of our learners and meet students at their current emotional and intellectual states.

Efforts will be made to connect with all students and families; providing options to address each child’s individual situations. End of the year conferences will occur via phone or video-conferencing to provide families with a chance to understand the growth their child has made, both academically and socially, as well as a successful transition to Kindergarten.
3. Please describe the district’s plans to deliver content in multiple ways so that all pupils can access learning.

**District/ PSA Response:**

Our GSRP students activities will be delivered in a variety of ways so all students have equitable access. Media platforms such as COR, Facebook and YouTube will be used to publish pre-recorded lessons that families can access at their convenience. Their responses will be documented to determine the level of participation. Video-conferencing will be used for individual, small or large group lessons that will include active participation of students. Families will also be provided with packets of enrichment activities as well as books to promote reading together. These packets will mailed, delivered or made available for pick up at a central location.
4. Please describe the district’s plans to manage and monitor learning by pupils.

District/ PSA Response:

GSRP teaching staff will document weekly and daily learning activities as well as parent and student participation. Observations gained by the teacher during these lessons and documentation shared by families after the lessons will be recorded into our program’s COR system. Frequency of student participation will be analyzed and detailed information will be documented regarding those who have been unreachable or have opted out of this plan.
5. Please attach a budget outline estimating additional expenditures associated with the Plan and sources of revenue to pay for those expenditures.

District/ PSA Response:

Oxford GSRP does not anticipate to incur any additional costs beyond our GSRP allocation to support the implementation of this plan. If we foresee a difference of spending that is equal to or greater than 10% of a subtotal we will notify Oakland Schools to review and gain approval before moving forward.
6. Please describe the manner in which district administrators, board members, teachers, and any representatives of teachers collaborated in development of the Plan.

**District/ PSA Response:**

Initially, GSRP staff met on April 13, 2020 to create a plan in which distance learning could be used within our GSRP classrooms. Teachers shared what they had already been implementing since the school closure on March 13, 2020 and the team added more specific guidelines. Virtual meetings were held with Oakland Schools’ Early Childhood Team to learn more about the Continuity of Learning Plan on May 1, 2020. All GSRP teachers, the Director of Early Childhood and Preschool Coordinator met virtually on May 4, 2020 to discuss the criteria for the Continuity of Learning Plan and provided additional input necessary to address all of criteria for implementation.
7. Please describe the methods the district will use to notify pupils and parents or guardians of the Plan.

**District/ PSA Response:**

Oxford GSRP teachers as well as the Director of Early Childhood notified families of this plan through a variety of methods including email, phone calls and messages sent through COR advantage and other forms of social media.
8. Please provide an estimate of the date on which the district will begin implementation of the Plan, which must be no later than April 8, 2020.

Note: 5/7/2020 GSRP/EC

District/ PSA Response:

Oxford Community Schools GSRP has been delivering optional learning activities since the start of the mandated school shutdown. GSRP teachers focused on the well-being of their students and families; addressing any immediate needs they may have. In accordance with Executive Order 2020-35, the closure of in person instruction for the remainder of the school year GSRP staff implemented this plan on April 20, 2020 and will continue through the end of our GSRP calendar year, which is May 27, 2020.
9. Not Applicable GSRP/EC
10. Please describe how the district will continue to provide or arrange for continuation of food distribution to eligible pupils.

**District/ PSA Response:**

The information below is from the Oxford School District’s Continuity of Learning Plan. All the information has and continues to be shared with our GSRP families.

Beginning Monday, March 16, 2020, our Food Service provided meals three times a week. Families would pick-up meals for two days at a time. Based on demand and increased social/physical distancing requirements, we shifted to providing pick-up once a week (enough meals for seven days). We are proud to report that during our first segment of providing meals, from March 16 through April 1, 2020, 39,120 meals were served. During this segment, we had many staff members who delivered meals to those who did not have transportation.

Per the Governor Executive Order No. 2020-35, Oxford Community Schools will provide food distribution to all eligible pupils each Wednesday beginning April 15, 2020. Each eligible student will receive food assistance for seven days. These meals will consist of breakfast and lunch and will amount to 14 meals during this seven-day period. Families will pick up food at the high school each Wednesday. Staff trained in food preparation will prepare and package the food for pickup. Families will pick up the food in their car while observing rules of social distancing. Staff will place the food in the trunk or in the rear of the vehicle.

GSRP Families will be notified by phone messages, emails, and text. These communications will go out routinely prior to the Wednesday distribution. Other means of district communication such as district website, Facebook, Twitter, and other social media sites will be used as well.
11. Please confirm that the district will continue to pay school employees while redeploying staff to provide meaningful work in the context of the Plan, subject to any applicable requirements of a collective bargaining agreement.

**District/ PSA Response:**

In accordance with the Governor’s Executive Order No. 2020-65, Oxford Community Schools continues to pay GSRP lead teachers and associate teachers while deploying staff in a manner that best utilizes their talents under current conditions to provide meaningful work within the context of the plan.
12. Provide describe how the district will evaluate the participation of pupils in the Plan.

**District/ PSA Response:**

Oxford GSRP teachers will be utilizing parent contact logs already established by our program to evaluate pupil participation. Teachers will indicate the date and reason for the contact, communication method used, parent response and if any follow-up is needed. These logs will be analyzed weekly to ensure contacts are being made and identify areas where additional support needs to be given to families.

Teachers will also be tracking student participation in activities; indicating this on our program participation tracking document and adding observations in COR. Teachers will ask families during their weekly check-in how the learning is progressing with their child and document individual learning opportunities on their written lesson plans.

13. Please describe how the district will provide mental health supports to pupils affected by a state of emergency or state of disaster prompted by COVID-19.

**District/ PSA Response:**

Oxford GSRP teachers will reach out to families to continue developing their strong relationships and will help connect families to district personnel as well as to social emotional support services that are available through Oakland Schools. After using the School Wellness Checklist with families, teachers will contact the Director of Early Childhood for Oxford Schools, Early Childhood Mental Health Consultants or Help Me Grow Care Coordinators from Oakland Schools if additional support is needed and to gain access to current information on mental health supports for children and families.
14. Please describe how the district will support the efforts of the intermediate district in which the district is located to mobilize disaster relief child care centers as described in Executive Order 2020-16 or any executive order that follow it.

**District/ PSA Response:**

Governor Whitmer’s Executive Order No. 2020-16 requires childcare access for children of the essential workforce during the COVID-19 emergency. To that end, we are willing to re-open should an emergent need arise in our community. We will work in collaboration with Oakland Schools, our local health department and child care licensing to provide child care if needed. Preparations have been underway to ensure we have adequate supplies to keep a safe, clean environment and be able to provide appropriate PPE.

If it is determined that we need to open, the Oxford Early Learning Center will be able to provide care from 6:00 am to 6:00 pm with rooms available to initially accommodate infants, toddlers, and preschool age children.

**32p/32p4 Continuity of Learning Plan**

1. Please describe the methods the district will use to provide alternative modes of instruction other than in-person instruction and a summary of materials each pupil and the pupil’s parents or guardians will need to access meaningfully the alternative modes of instruction included in the Plan. If the Plan relies on electronic instruction, the Plan must ensure to the extent feasible that pupils have access to a connected device capable of accessing the electronic instruction and must not penalize a pupil for the pupil’s inability to fully participate.

   “Alternative modes of instruction” means modes of pupil instruction, other than in-person instruction, that may include, without limitation, partnerships with other districts or intermediate districts or community colleges or institutions of higher education, use of vendors, use of online learning, telephone communications, email, virtual instruction, videos, slideshows, project-based learning, use of instructional packets, or a hybrid of multiple modes of learning that still promote recommended practices for social distancing to mitigate the spread of COVID-19.

   The Great Start Collaborative and Great Start Parent Coalition have offered continuation of services moving virtually and by phone. The first week the parent liaisons called parents by phone to connect and learn how parents wanted to participate. Moving forward the Parent Coalition has taken feedback from parents to continually adjust to the needs of participating parents. We have provided individual phone calls, small virtual meetings, larger event meetings and most recently Facebook live events which are topical, based parent feedback. The Great Start Collaborative moved immediately to develop systems to support essential workers including bringing in Help Me Grow to support directing essential workers to open childcare. We are also working daily with childcare providers to learn which providers are currently taking children. We are continuing to conduct collaborative meetings and workgroups virtually and offering call in options. Parents continue to participate in these as well.

   Programming:

   Great Start Collaborative Oakland, Oakland Family Services and Oakland County Health Division, will make a good faith effort to implement remote home visitation services for children prenatal to age 5 both to the extent possible under the current circumstances of COVID-19. A variety of alternate modes of instruction/interaction will be used to implement all components home visitation. Possible modes include video conferencing, audio conferencing, sharing video recordings, telephone interactions, printed materials, email, text messages, postal delivery services, or a hybrid of multiple modes.

   2. Please describe the methods the district will use to keep pupils at the center of educational activities, including outreach to continue building relationships and maintain connections, and to help pupils feel safe and valued.

   Great Start Collaborative Oakland, Great Start Parent Coalition, Oakland Family Services and Oakland County Health Division, will work toward connecting with every family that had been receiving services before the stay home effort. They will continue to maintain regular connections with families during this time. They will also continue to take on new referrals and support families in any way possible to meet the family’s needs.

   3. Please describe the district’s plans to deliver content in multiple ways so that all pupils can access learning.

   Great Start Collaborative Oakland, Great Start Parent Coalition, Oakland Family Services and Oakland
County Health Division, will work with each individual family to determine their own needs and or goals of the Home visiting program. They will develop the most appropriate mode of service delivery and the appropriate time of day and length of time for all services.

4. Please describe the district’s plans to manage and monitor learning by pupils.

10. Please describe how the district will continue to provide or arrange for continuation of food distribution to eligible pupils.

District/ PSA Response: N/A
11. Please confirm that the district will continue to pay school employees while redeploying staff to provide meaningful work in the context of the Plan, subject to any applicable requirements of a collective bargaining agreement.

ISD Response:
All staff will continue to be paid and no adjustments are needed in staffing due to COVID-19.

12. Provide describe how the district will evaluate the participation of pupils in the Plan.

ISD Response:

Great Start Collaborative Oakland, Great Start Parent Coalition, Oakland Family Services and Oakland County Health Division, will continue to keep a record of participating parents with services provided as well as meet model fidelity around parent goals.

13. Please describe how the district will provide mental health supports to pupils affected by a state of emergency or state of disaster prompted by COVID-19

Great Start Collaborative Oakland, Great Start Parent Coalition are supporting mental health through providing information including virtual meetings on mental health and self-care at least monthly. We are also creating material around the 6 components of wellness to distribute throughout our network of parents across the early childhood systems. We have received feedback from parents as this the biggest need, but many parents are overwhelmed by information. We are working with DPTV to create messaging around this need as well.

OFS is providing referrals to families with mental health needs to various behavioral health supports and providers. OFS is providing virtual behavioral health services during the COVID-19 crisis and available to our home visiting clients. In addition, the OFS early childhood department has an EC mental health specialist on staff who is available to provide support to families if needed. OCHD refers all clients in need of mental health services to Access line. As well as each home visitor has been trained and provided resources via Best Start for Babies Newsletter on how to help families cope with the COVID disaster.
Oakland Schools Early On Continuity of Learning Plan

1. Please describe the methods the district will use to provide alternative modes of instruction other than in-person instruction and a summary of materials each pupil and the pupil’s parents or guardians will need to access meaningfully the alternative modes of instruction included in the Plan. If the Plan relies on electronic instruction, the Plan must ensure to the extent feasible that pupils have access to a connected device capable of accessing the electronic instruction and must not penalize a pupil for the pupil’s inability to fully participate.

Oakland Schools Early On, which consists of all 28 LEAs and Oakland Family Services and Oakland County Health Division, will make a good faith effort to implement remote early intervention services for infants and toddlers with disabilities (both for children eligible for Part C Only and for children eligible for Part C and MMSE) to the extent possible under the current circumstances of COVID-19. A variety of alternate modes of instruction/interaction will be used to implement all components of Early On, in accordance with federal Part C of IDEA regulations and the Michigan State Plan, including services, evaluations, assessments, initial and annual IFSPs, periodic reviews, and transition plans/conferences. Possible modes include video conferencing, audio conferencing, sharing video recordings, telephone interactions, printed materials, email, text messages, postal delivery services, or a hybrid of multiple modes.

2. Please describe the methods the district will use to keep pupils at the center of educational activities, including outreach to continue building relationships and maintain connections, and to help pupils feel safe and valued.

Early On is a relationship based service delivery model and service providers are dedicated to building strong relationships with the families they serve. Moving to distance learning will not change this emphasis. Early On providers will continue to connect with families regularly to maintain those important relationships and supports.

3. Please describe the district’s plans to deliver content in multiple ways so that all pupils can access learning.

Early On service providers, together with families, will decide upon the most appropriate mode of service delivery and the appropriate time of day and length of time for all services. Connections will be weekly, b-weekly or monthly based on the needs of the child, the services documented in the IFSP, and the frequency specified in LEA CoL plans. Any family that is not able to fully engage in online or remote learning will be given access to learning resources that focus on developmentally appropriate activities for the home setting.

4. Please describe the district’s plans to manage and monitor learning by pupils.

Progress toward child and family outcomes will be assessed at least once every six months, or more frequently as needed, using the Periodic Review process. Periodic Reviews may be conducted virtually via telephone or videoconference.

5. Please attach a budget outline estimating additional expenditures associated with the Plan and sources of revenue to pay for those expenditures.
Early On will require minimal changes to the federal budget. An amendment process will reallocate resources into the supply item to accommodate the purchase of virtual testing kits, evaluation protocols, and other office supplies.

Program Supplies: $8000  
Office Supplies $2000

6. Please describe the manner in which district administrators, board members, teachers, and any representatives of teachers collaborated in development of the Plan.

The Early On Continuity of Learning plan was developed as a collaborative process engaging multiple stakeholder groups. Input was elicited from partner agency managers, special education administrators, ISD staff in both Early Childhood and Special Populations, Early On service providers and families. The plan was refined by the SEAOC Birth to Five Support Team and supported by all Oakland County special education directors, OFS Director of Early Childhood Services, and the Chief Community Nursing Programs.

7. Please describe the methods the district will use to notify pupils and parents or guardians of the Plan.

Early On service providers in all partner agencies began communicating with families March 11, 2020 with regular updates about the details within the continuity of learning plan. Multiple methods of communication have been used including email, phone, social media updates, texts, teleconferencing, and US mail.

8. Please provide an estimate of the date on which the district will begin implementation of the Plan, which must be no later than May 7, 2020.

Early On services resumed across Oakland Schools in accordance with the start date of instruction stated in each LEA’s CoL plan. A review of the LEA CoLs identified April 13, 2020 as the earliest start date with all LEAs resuming instruction by April 28, 2020. The two agencies with whom Oakland Schools contracts for Early On resumed services on April 13, 2020.

11. Please confirm that the district will continue to pay school employees while redeploying staff to provide meaningful work in the context of the Plan, subject to any applicable requirements of a collective bargaining agreement.

All staff will continue to be paid and no adjustments are needed in Early On staffing due to COVID-19.
12. Provide describe how the district will evaluate the participation of pupils in the Plan.

Early On providers are documenting and monitoring all contacts with families including those services that are declined or cancelled. This detailed documentation will allow service providers to evaluate the participation of individual students in the remote learning plan. If a family has difficulty engaging in services as agreed upon, service providers will offer modifications to encourage meaningful family participation.

13. Please describe how the district will provide mental health supports to pupils affected by a state of emergency or state of disaster prompted by COVID-19
